Tree, stand, and white lights (100 lights per ft.) are provided to each tree sponsor. Tree decorations are considered part of the sponsor's donation. Tree decoration and description deadlines will be announced in July, 2010. All decorating is to be completed at the Festival of Trees site. There are a limited number of tree sponsor spaces available. Each tree sponsor form/application that is submitted will be given careful consideration, but it does not guarantee an entry in the 2010 Festival of Trees. Early submission of this form will be taken into consideration if there is a high demand for trees.
